 [@bellmansauctioneers](https://www.instagram.com/bellmansauctioneers)

As one of the UK's leading regional auction houses, Bellmans holds specialist auctions as well as regular Fine and Interiors auctions, across a wide spectrum, including Asian Works of Art & Ceramics, Books, Carpets, Clocks, Coins & Medals, European Ceramics & Glass, Furniture, Jewellery & Wristwatches, Pictures & Prints, Silver, Wines & Spirits and Works of Art.

Our specialists offer first-class advice and valuation expertise to individuals, families and executors, whether for one piece or a complete collection. With decades of experience between them – some acquired in the major international auction houses – you can rest assured of a professional appraisal alongside a friendly, personal service. Each auction includes a wide range of remarkable items, with something to appeal to all, bringing an enticing variety of treasures to the auction room, consigned from Sussex, Surrey, Hampshire, London, the Home Counties and further afield.

# Trusted Advisors for Taxation & Auction Valuation

Bellmans is a trusted and accomplished provider of Inheritance Tax Valuations with extensive experience in handling probate and auction valuations for our clients, their advisors and solicitors.

We offer a complete and professional service, from preparing valuations for inheritance tax purposes and handling specific bequests, to selling objects, collections or the entire contents of a house through our monthly Fine Art and Interiors auctions.

Valuations for more specific purposes can be tailored to fit your requirements; assistance with estate tax planning and division of an estate between beneficiaries.
